National Association of Pipeline Safety Representatives

2010 NAPSR Eastern Region Meeting
July 12-16, 2010, Essex Junction, Vermont
Hosted by the Vermont Department of Public Service

As Chair of NAPSR's (www.napsr.org) Eastern Region 2009-2010, I would like to invite you to engage with our organization during our annual business meeting in Vermont.

As has been our custom and practice, we appreciate having associations like yours share your views and concerns about emerging pipeline safety issues and state relations. We also value the opportunity to network with you informally to discuss matters of mutual concern.

We will make room on our agenda for you and we can coordinate the best timing for your presentation as we get closer. As a guide, we usually ask for a brief (10 minutes) presentation followed by Q&A, supported with a PowerPoint. I am happy to discuss your particular needs. For example, selected vendors will be participating and we can offer a display table to you in their exhibit hall.

We have selected a spectacular location. Please consider making it a work/pleasure break/escape for you and your family - it will be beautiful in Vermont.....best, Hans
